**Project Title:**

Ecuador Earthquake Recovery Project

**Project Date:**

Funding to Bahia Rotary ASAP, visiting Ecuador 2/2018

**Describe the project. Explain the scope of community impact and the unmet need this project will serve.**

The Bahia area suffered a devastating earthquake on 4/16/2016 and the Bahia Rotary Club has identified several ways we can assist their recovery. The earthquake crippled the local economy, as more than 50% of the structures in the area were seriously damaged many businesses have been forced to close. There is a huge need for assistance to rebuild local businesses. Bahia Rotary suggests we could speed their recovery by funding a business form and microcredit program. Additionally, families who have lost their source of income require assistance to continue their children's education, so small scholarships will be distributed. School supplies are in critically short supply and will be provided.

**Amount Requested:**

5000 XXXX Rotary  
5000 XXXX Rotary

**# of Rotarians who will participate in the project:**
