**a. Global Grants:**

- This DAF can be used to fund Global Grants. The DAF account name and number **must** be listed on the Global Grant application **as a specific funding source**, otherwise no transfer from TRF DAF to the grant will be allowed. Specifically, the TRF DAF portion *cannot* be listed in the club contribution section.
- After the grant is approved, an account advisor recommends a transfer from the DAF for the Global Grant.

**b. Scholarships:** Grants may be made to an educational institution and then applied by the institution.

- Rotary Clubs receiving DAF funds for scholarships may publicize the availability of the scholarship, engage with candidates, make recommendations, celebrate those selected.
- Rotarians and Rotary clubs receiving DAF grants may not select or identify the individual who receives the scholarship. It is up to the educational institution and/or independent selection committee to coordinate the application of funds to a scholar as the educational institution deems appropriate and as such the scholar should not be included in the DAF grant recommendation.
