Project Title: Veteran's Memorial Park

Project Date: 05/02/2024

**Briefly describe the project. What was done and who were beneficiaries? Be specific about # served**

The Veteran's Memorial Park was the focus recipient for our 2024 Easter Car Show. The funds for the District grant (\$3,600) were combined with Club funds (\$16,400) to make a donation of \$20,000 to help fund this new Memorial Park. The City is building the park at a cost of nearly \$600,000 and the Rotary donation is the largest yet. The park is still in fundraising and per-construction phase. The City accepted the Rotary donation to be escrowed for the purchase of the Armed Service Flags and Poles. A Donation was made at the City Council meeting by members of the club on May 2, 2024.

**Give an example of how Rotarians participated:**

All of the 30+ members of the club helped in the Ester Car Show fundraiser effort for our donation to this new park. 7 Members of the club presented the funds at Hurricane City Council Meeting.
